"Reflections"

Reflections in the water,
Of the person you must be.
Reflections in the mirror,
Is it really "you" you see?

Reflections in the eyes
Of the people that you love.
Can they really tell
What you're thinking of?

Reflections cannot show,
What's going on inside.
Emotions and feelings are
What reflections hide.

Reflections made you sad,
Depressed or even mad.
You know you cannot change,
The reflections that you've had.

Boy what a HEADACHE!!!

Now I know this fits on there.

What is going on down there?

See how hard I work Mr. Vreeland.

Sweet little innocent faces, aren't they?

They really do that to you?

Hard working art class

John are you sure that goes in there?

I'm really not a secretary.

Boy, I'm all done!

Boy, wouldn't it be nice out there?

Quick give us the answer!!

**We
Celebrate
the Past**
in the spirit of seventy-six

There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the "*Spirit of '76.*"

What was that spirit — and indeed what is that spirit?

It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

Independence Hall

*The State House of
Pennsylvania*

*The Birthplace of
the UNITED STATES
of AMERICA*

It is the **SPIRIT OF SACRIFICE** — of shar-
ing burdens and conflicts.

It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.

The unanimous Declaration

of the thirteen united States of America

DEMOCRACY
By THOMAS JEFFERSON

NEW YORK: PUBLISHED BY
J. B. ALLEN, 1820.

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the people of the earth a new and separate station, with a solemn and conscientious appeal to the Supreme Judge of the world for the rectitude of their intentions, it is the right of that people to be heard in their own name, and to present their petitions to the Supreme Power in the most direct and effectual manner.

It is the **SPIRIT OF CONFIDENCE** — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.

It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.

It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

George Washington

John Adams

Thomas Jefferson

Benjamin Franklin

Alexander Hamilton

James Madison

John Hancock

It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.

Indeed the "*SPIRIT OF '76*" was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.

The 1975-1976 Panthers played the toughest schedule of the Delta coaching career of J. E. McBride. Starting out with powerful Pettisville, followed by Archbold, Ottawa-Glandorf, Delphos St. Johns and Rossford. After the smoke had cleared from the first 5 games we stood 3-2. In the remainder of the year after defeating a powerful Rossford team 70-64, the Panthers lost only 2 more games enroute to winning a Northern Border League Championship and Sectional Title earning their way into the District Tourney. This NBL Championship is the fourth one out of the 7 years of existence of the NBL.

The grapplers won their own invitational tournament, and were tied for the number one spot in league dual meets with a record of 8-1. They wrestled to a third place in the NBL tournament and also finished third in the league. Congratulations on a terrific season. The best of luck next year.

Panther Baseball

This year's baseball team gave Delta a winning season and also finished second in the N.B.L. The team was lead by senior captains, Wayne Harmon and Bob Trowbridge. The varsity finished with a record of 13-10, the best finish in the last 9 seasons for Delta. There were many exciting and close games this year as the numerous one run decisions indicate. Wayne Harmon was named the most valuable, Ed Beckett was named most improved and Tom McWatters led the team in hitting with a .419 batting average. Next year's team shows lots of promise for Coach Piv as he has 9 lettermen returning.

BOYS TRACK AND FIELD: This was without a doubt the toughest track schedule ever attempted in the history of track and field in Delta. We faced 8 AAA, 9 AA, and 5 A schools.

Individual successes were many as this team broke 11 existing school records and qualified two unbeaten specialists in three events for the state meet in Columbus. They were Mark Baun in the High Jump and Howard Callahan in the 100 and 220 yard Dashes.

This team was outstanding not only in performance but also in sportsmanship.

1975 Homecoming

Reigning as 1975 Homecoming Queen was Deb Williams, daughter of Mr. and Mrs. Robert Williams. Escorting Deb to her throne was Rick Basich, son of Mr. and Mrs. Richard Basich.

The dance was held in the commons area which was decorated in red, yellow, orange, and brown. The Juniors' last minute preparations were hampered by a bomb scare. Everyone had a good time.

Junior Senior Banquet

Boy, that chow was good

Hey Deb, there's a bug in my milk!

Hey Diane, what's up?

Senior Pride

The Junior-Senior Banquet looked like a Bicentennial parade. It was decorated in honor of the Seniors, by using their class colors of red, white, and blue. The dinner was put on by the parents of the Juniors.

Mr. English gave the welcome and then turned the program over to Mr. Basich. Mr. Basich then read the Senior story written by quite a few Seniors. Dan Burkholder then thanked everyone and handed out key chains to all the Seniors.

Boogie Fever

The Junior class worked long and hard to make the prom a success, and they did a fantastic job in decorating the commons area.

This year's theme was "Stairway to Heaven." To carry out the theme they made a staircase to enter into heaven and misty fog on the floor. The band that entertained for the evening was "Orion." The sophomore servers were Julie Kigar, Lori Bechtel, Jodi Gerken, Barb Lane, Parry Myers, Tim McQuillin, Lance Gilson, and Dick Frank. The couples were served cake and punch.

After the formal dance, the action took place at the Wauseon Star Auto Drive-In, where they watched "Bank Shot." Then the couples returned to the high school for a different type of dance . . . a square dance.

Finally, for those who were still going, a super breakfast was served.

Looking toward the future . . .

As supplies of natural gas and oil continue to grow scarce, electricity will play an even larger role in meeting the expanding energy needs of our society. That's why Toledo Edison is developing new sources of energy, such as nuclear power, and planning ahead for the power needs of 1990 and beyond.

We're determined to meet this challenge and provide the best possible electric service for your generation and others that follow.

Jerry Dinius,
 Editor
